federal, state or local laws, ordinances or regulations, they shall be so considered and treated.

- D. The amount contributed shall be treated as supplemental dues, if the employee executes a valid, voluntary authorization.

SECTION 33
ADA COMPLIANCE

The Union and the Employer recognize that significant legal obligations have been imposed on employers by the Americans with Disabilities Act ("ADA"). It is further recognized that the extent of these legal obligations, and the way, in which they must be met, is presently unclear. The Union agrees, on behalf of itself and employees it represents, to cooperate with the Employer to ensure that the requirements of the ADA are complied with. The Union further agrees that actions taken by the Employer in a good faith effort to comply with the requirements of the ADA will not be subject to the filing of a grievance under this Agreement. In the event of a charge against the Employer by or on behalf of an employment applicant or employee that his or her rights under the ADA have been violated, the Union agrees to fully cooperate with the employer to have information relating to the basis of the applicant's or employee's claim, and the remedies sought.

SECTION 34
GENERAL SAVINGS CLAUSE

It is not the intent of either party hereto to violate any laws, rulings or regulations of any governmental authority or agency having jurisdiction of the subject matter of this Agreement. The parties agree that, in the event any provision of this Agreement is finally held or determined to be illegal or void as being in contravention of any such laws, rulings, or regulations, they will promptly enter into lawful negotiations concerning the substance thereof. If any part or parts are held or determined to be void or illegal, the remainder of the Agreement shall remain in full force and effect, unless the parts so found to be void render the balance of the Agreement inoperable.

Agreed this 30th day of June, 2003.
